Iberostar Marbella Coral Beach is 1 km from the center of Puerto Banús. The hotel is located in a lush palm garden and features outdoor pools with sun loungers, beach club, fitness center and rooms with its own balcony. There is free high-speed-wi-fi all over the place.

Marbella has a microclimate all year round thanks to the mountains that protect it from the north, so you can almost always enjoy the beach. Iberostar Selection Marbella Coral Beach is one of the best places to do just this.

All rooms on Coral Beach are brightly decorated in Arabic and Andalusian style and have air conditioning, satellite TV, safe, mini-charge minibar and a private bathroom with hairdryer and free toiletries. Many of the rooms overlook the sea, garden or pool.

The hotel has a beach club by the boardwalk as well as a restaurant so you can enjoy the best Andalusian gastronomy without leaving the coast. Mediterranean and Andalusian specialties are served in the buffet restaurant as well as the IA la la carte restaurant. The bar at the pool serves light snacks.

The hotel has 2 outdoor swimming pools, one of which is heated, as well as a spa and wellness area. Here you can, among other things, order massage treatments.

Next to the hotel you will find 10 golf courses to choose from.
