Costa del Sol, Marbella

This very extraordinary villa is located in one of the best areas of Marbella.

The villa here has a fantastic view and is the first row to the water, where you will be able to see Gibraltar, the coast of Africa and the mountains. It has 7 bedrooms and 6 bathrooms - the villa itself is 700m², but is on a plot of about 5000m².

In 2017, the entire villa was newly renovated, making it completely modern.

In addition, daily cleaning and switching of bed linen is included, as well as towels - it is also possible to purchase catering etc.

The villa contains:

Air conditioning in all rooms

IPTV systems in all bedrooms

Satellite TV

Jazucci

BBQ area

18 hole Putting Green, which is designed by Manuel Jimenez, who is the brother of the well-known golfer
